

2008 Holiday Gift Guide

Architectural Accessories

The staff of Mizner Industries travels the globe in search of historic patterns that once adorned palaces and castles, then re-creates these designs on one-of-a-kind hand-painted tiles. The hand-crafted accessories can bring a personal touch to residential and commercial buildings, as well as add color to fountains, kitchens, swimming pools and mantels. For more information, call (954) 492-8710 or visit www.miznerindustries.com.
