

## TIMELESS TILES

An antique Spanish pattern was the inspiration for Mizner Industries' new Mediterranean collection of ceramic tiles, which displays a vibrant color palette. The line is hand-painted and suitable for such indoor or outdoor applications as stair risers, backsplashes and niches. Tiles can be customized and may be ordered by calling (954) 492-8710. Check out [miznerindustries.com](http://miznerindustries.com) for additional information or to see more offerings.

## KICKING BACK

Brown Jordan International and La-Z-Boy have teamed up to introduce a series of outdoor furniture that consists of 13 collections, including this piece from the Lakeland group. With rolled arms and a button-tufted memory foam cushion, the recliner has the look of an indoor chair. The Lakeland collection offers a range of seating and dining options and is available in many fabric choices. To locate a showroom that carries the line, call (502) 471-3616.
